

EXT. GAS STATION - NIGHT

WIDE SHOT FIXED AT EVA AND RYAN

Eva and Ryan stands far between and facing each other on the front platform of the convenience store at the gas station. Eva stands stiff in tear and her fist clenches on the left hand as she expresses regret through her mouth. She wipes her tears with the right hand.

A CLOSE-UP SHOT OF EVA

EVA

Out of the other girls you could've chosen before me, why did you choose me? What am I to you? You knew you were for others, and you went out with others while I stay at home laying on sofa waiting for you to come home with me and watch movie late night. Only to find out you had someone else.

A CLOSE-UP OF RYAN

(throws a sudden burst of emotional exhale)
Did I mean something to you? Why didn't you just break up with me.

A CLOSE-UP OF EVA

You never showed your gratitude with me again at one point, and from that day, I wonder if I've done something wrong.

(continues to sob and covers face)

WIDE SHOT WITH ANGLE FIXED AT EVA

Ryan walks up to her. Mid-way attempting to place his hand on her head, she slapped away his hand.

EVA (CONT'D)

(in a remorseful manner)
Get away from me.

WIDE SHOT WITH ANGLE FIXED AT RYAN

RYAN

(in the soft voice)
Eva, I love you

CLOSE-UP SHOT OF EVA

EVA

No, you don't. You knew how I was
and you didn't do anything about
it.

WIDE SHOT WITH ANGLE FIXED AT RYAN

Tell me, is that why the girl who
you still go out with broke up with
you?

RYAN (CONT'D)

I didn't want to leave you. You're
a good person. I just felt like a
break up would destroy both of us
and we'll get closer for some time,
but I felt like it's time for us to
depart.

As Ryan walks away to the car, the car flashes in unlocking
and he got in the car. Eva ran to the car and swore at the
window banging at it in muffle.
